*IF I WERE QUEEN*

*I'd have a garden,  
If I were queen;  
With so many flowers,  
You couldn't see between.*

*Peacocks should walk there,  
Slow ... stately ... and blue,  
While sparrows should come,  
And shy linnets too.*

*There should be blossoms  
of silver in Spring;  
And God should be there  
To love everything.*

*A house should there be,  
With shutters of green;  
And you should be King,  
If I were the Queen.*
